There's a nice [staff report](#) with some hyperlinks that might be worth sharing with Tom if, indeed, he was seeking more info about the SFB RMP.

Sam, thanks for sharing this.

I would be interested in talking to SCCRWP staff (I would probably start with Steve Bay as he heads the SMBNEP TAC and is familiar with both the NEP's monitoring and SoCal regional monitoring) and Tom about [SoCal regional monitoring](#). It would be helpful to hear what your questions are.

FYI.

At tomorrow's RB2 board meeting item 8 is: Regional Monitoring Program for Water Quality in San Francisco Bay – Presentation on the State of the RMP by Philip Trowbridge, Program Manager

I still want to find out more on the SoCal RMP.
